

DECK WIDENER TRANSPORTER

- Our deck widener transporters are heavy duty trailers built here in Australia to handle our rugged conditions.
- They feature a 3.5m widener deck, 63t ATM capacity, 4R4 axles with twin rear steering, airbag suspension, EBS braking, 4.2m bi-fold ramps, and three-way container pins which provide excellent versatility, stability, and ease of loading for a wide range of heavy haulage applications.

Key features of these units include:

- 63 tonne ATM
- Widens up to 3.5 metres
- 13.1m deck length and 980mm deck height
- 4.2m bi-fold ramps at 9 degrees loading angle
- Diesel powerpack for ramps and widener
- Airbag suspension with digital scales and height control
- 4R4 axles with auto lock/unlock steer axles
- Lockable stainless steel toolboxes
- In-deck chain boxes, combing rail toolboxes and perimeter loading lights
- Gooseneck mounted tyre carriers for truck & trailer
- Oversize kit including flags, signage and lighting
- Container pins (3-way)
- Drop in kingpin in three positions, both 50mm and 90mm
