

# RIGID FLAT TOPS

- Flat Top rigid trucks are the latest addition to our rental fleet.
- These units are capable of carting 20' containers and also come complete with spigot pins enabling you to carry other types of bulk loads, with a 15 tonne payload.
- These trucks all feature safety systems based on advanced technology including Traffic Eye braking, Driver Alert, front and rear cameras.

## Key features of these units include:

- 9 metre deck
- 20' container pins
- Spigot pins
- Underbody toolboxes
- Dunnage boxes
- Automatic transmission
- Full safety package
- Capable of carrying loads up to 15 tonnes
